DEPARTMENT OF COMMERCE

ACADEMIC YEAR- 2021-22

The feedback committee is functioning in the college and at the end of each academic year, feedback is collected from students and teachers. After receiving the feedback, the feedback committee compiles, analyzes and interprets it. After that, discussions were held between the Principal, IQAC Coordinator and Head of Department & then the appropriate action is taken. This process is divided into following two parts:

A) Analysis of Feedback:

The college obtained online feedback on Curriculum from Students and Teachers and the same information is communicated to the concerned department. After the Analysis of feedback forms, which received from all the stakeholders, some of the followings are the major outcomes to be noticed:

- 1) The depth of the course content is adequate and is in tune with the expected course outcomes.
- 2) The syllabus is career oriented at some extent.
- 3) The arrangements of the units in the syllabus is well planned
- 4) Student Enrichment Programmes should be included in the syllabus.
- 5) Industrial visits and internship programmes should be included from the first year in the syllabus.
- 6) Practical/Project Work for classes should be conducted on fields wherein students can get real hands on experience.

B) Action Taken on Feedback:

The suggestions and recommendations received through the feedbacks are successfully communicated to the faculty members of syllabus framing committee and BOS members at the time of syllabus restructuring workshops. The faculty members Shri. A.B. Bodake and Smt. P.R. Wavikar have actively participated in the workshop. The Institution/college is an affiliated

college to Savitribai Phule Pune University, Pune. The Institute/college has to follow the curriculum formulated by the SPPU. At College level the department has taken following actions to fill the gaps between Curricula & need of market:

- 1) The department has organized webinars and guest lectures on the topics such as career opportunities in commerce, guidance on getting additional eight credits and internship programme in order to make aware the students regarding practical knowledge of the curriculum taught in the class rooms.
- 2) The students have completed their practicals and internship programme by using advanced technologies and on the current topics like consumer behavior, how to take interviews of successful personalities, use of internet banking, online trading and stock market, online marketing, use of social media etc.
- 3) Students have made industrial visits and visits to banks, financial institutions and various small scale businesses in order to complete their practicals and internship reports.
- 4) The department has organized various training programme on the topics like how to face an interview, personal grooming, time and priority management in order to develop the overall personalities of the students.
- 5) The department has also conducted various sessions under value added courses at UG and PG level in order develop communicational skills and other skills amongst the students.
- 6) The PG students have completed their research projects on their subject related topics.
- 7) The students of second year B.Com have successfully completed their mini projects for the subject 'Environmental Awareness'
