Teacher's Feedback Analysis on Curriculum  
Academic Year 2021-22**

Feedbacks from the teachers were collected and analysed and has been represented graphically. The teacher opinion on curriculums was expressed in the feedback and that has been found to be excellent in every domain. The teachers of the university conducted workshops and had discussions with experts of their own discipline for improvement of the curriculum on a regular basis. The BSc(CS) teacher's feedback is taken regarding the curriculum of computer science for the 2013 pattern and 2019 pattern.
