

**MVP Samaj's
Commerce, Management and Computer Science (CMCS) College,
Nashik.**

Process of Student Registration and Merit Form Submission on Website

<https://mvperp.org/>

- Open any **browser**, Google Chrome is preferable.
- Open College website https://mvperp.org

- Click on menu "**Login Now**" and select the option "**student**".
- If you are already registered student, then select the option "Login". Enter Username, Password and continue.
- If you are new student, then select the option "**Registration**" and you will get registration screen. Enter new username as email address and other details. Save login registration information. After registration login with the given new registered username and continue.
- In Student Profile Form, if you are existing student of this college then enter Students URN No. and your Basic Details with Photo and Sign will be loaded automatically. If profile does not get loaded then your registered **Adhar** number is wrong or not registered.
- Enter all your basic details in the form. Click Next button and enter your contact details. Click Next Button and enter your Previous Qualification Details and Last ExamDetails, then Save Profile.
- Upload all documents that are applicable to you in Document Details form and then click Course Enrolment button.
- On Merit and Admission Registration form, enter the Enrolment Details for which course you wish to take the admission. In this form, select the Taluka of Branch as **Nashik** and select the Admission Institute as **Commerce, Management & Computer Science College**. Select appropriate section from the dropdown button as **Senior (NEP 2020)**. Select the desired course, class and click save.
- In next form Enter your Bank Account Details, Annual Income, No. of Siblings etc.
